Hi Jeremy

Please send the draft when it is ready to both Joe and myself at the same time.

Thanks
Robyn

Robyn,

I've been writing like mad over the last four days. Nidhi has a great handle on the ERCOT draft, and I still need to finalize some pieces of it but I'm not going to have it for you before you're officially off the clock. But I will have it for you late tonight. Would you like me to send it directly to you and Joe at that time? I don't think that there's anything shocking in it, so I don't expect a blowback. I wanted to give you a chance to review ahead of time, but I've just been sinking. Or do you want the version without my mods to see where it went so at least you have a preview? I don't want to stick you with two drafts..

Sorry and thanks

-Jeremy
